²Only 1 elective is required. You may choose which semester to enroll in your preferred elective. Elective options can be found at: <https://socialwork.illinoisstate.edu/academics/electives/>.

³You are required to complete **600** total internship hours over the academic year, split into 300 hours per semester (approximately 18-20 hours per week). Since you will follow the district's calendar, you may accumulate more than the required hours. Entering a contract with a school district may come with additional expectations, especially if a stipend is provided.
